## A Letter from Our President

Board members of the Friends of the Library have really gotten around this year. We have “branched out” to hold some of our monthly board meetings at our branch libraries in addition to meeting at the main Collins Library downtown. It has been a wonderful way to understand the impact that our library has on so many lives, and reinforces the Friends' mission of raising funds to maximize that impact.

If you haven't ventured beyond “your” library - you know the one where you ALWAYS go - this fall is the perfect time to explore. When you go, take note of the friendly library staff, the layout that invites you to browse the collections, the computer terminals busy with people who might not have internet access, students getting homework done, children enjoying the books that are just for them. Each library in our Leon County system has these things and more. You'll see why we are so proud of our system and why the Friends organization works hard to bring extra dollars to enhance the library's collections and programs.

Happy Fall!

Julie Lovelace  
2015 President

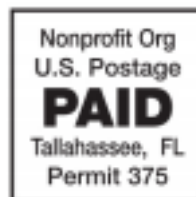

# Recent Successes

Friends of the Library Bingo: This year's bingo, honoring Hermi Hadi - a longtime library supporter and bingo enthusiast, was a HUGE success. We raised \$1,820!
